

C+ SERUM

Directions: Use 1-2 pumps on fingertips applying in a small dotting pattern over face and neck. Then blend lightly and quickly in an upward, sweeping motion. Recommended morning and evening.

KEY INGREDIENTS

ORGANIC HEMP CBD

Reduces the appearance of inflamed skin. Is antibacterial, anti-oxidant, and assists in the regulation of skin cell proliferation and balances sebum production.

TETRAHEXYLDECYL ASCORBATE

Anti-oxidant that inhibits lipid per-oxidation (protecting skin lipids from free-radical damage), oil-soluble, stable ester of vitamin C, may promote more even skin tone by inhibiting pigment production.

SODIUM ASCORBYL PHOSPHATE

Stable pre-cursor to vitamin C that ensures a constant delivery of vitamin C into the skin, antimicrobial, prevents UVA induced sebum oxidation, increases effectiveness of sunscreen.

VEGAN SQUALANE

High emollient properties that soften and soothe skin. Increases water retention capacity of the skin and prevents loss of hydration. Improves moisture balance and elasticity, to heal chapped and cracked skin and diminishes the production of excess oil.

HEPTYL UNDECYLENATE

Castor oil derived emollient, has the ability to remain on the skin surface and prevent the loss of moisture thus it reduces flaking of skin and improves its appearance, helps to maintain the soft, smooth, and pliable appearance of skin.
