EXFOLIATE

ENZYME MASQUE

Directions for use: Apply a generous layer to entire face, neck and décolletage. Leave on for 10 - 15 minutes. Optional – add steam to enhance enzyme. Remove with warm towel. Can be used at home, up to 3 times a week.

KEY INGREDIENTS

ORGANIC HEMP CBD

Reduces the appearance of inflamed skin. Is antibacterial, anti-oxidant, and assists in the regulation of skin cell proliferation.

BACILLUS FERMENT

Mild, yet effective alternative to alpha hydroxy acids. Breaks “cellular glue” in outermost layer of the epidermis causing a non-mechanical exfoliation effect.

ORGANIC HEMP SEED OIL

Rich in Omega 3 and Omega 6 Fatty Acids to promote optimal skin health and reduce inflammation and uneven texture. It is non-comedogenic and helps regulate sebum production. Contains ceramides that support skin’s barrier layer for moisture retention.

ORGANIC ALOE VERA

Anti-inflammatory, wound healing, antibacterial, antioxidant, and aids in collagen synthesis.
