

PRO 03 SENSATION

SALVE

Directions for use: Massage directly onto skin as needed

KEY INGREDIENTS

FULL SPECTRUM HEMP EXTRACT

CBD, CBC, CBG, CBN, less than 0.3% THC

Promotes an overall relaxing and calming effect for skin, muscles, and connective tissue.

CAMPHOR

Anti-inflammatory action reduces pain and swelling along with redness and erythema on the skin. Promotes relaxation and may induce sleep. Brings blood flow to the muscles and the skin.

MENTHOL

Contains a unique ability to be both warming and cooling. Relaxes the muscles, reduces inflammation and associated pain and swelling.

HINOKI ESSENTIAL OIL

Antiseptic, antiviral, and anti-inflammatory with the ability to soothe and calm skin and muscles.

COPIABA ESSENTIAL OIL

Analgesic properties allow for notable pain relief along with reduction of inflammation in sore muscles and joints.
