

LIFE 02 LIP TREATMENT

MINT / VANILLA

KEY INGREDIENTS

ORGANIC HEMP CBD

Pure CBD Extract works as an anti-oxidant, excites the endocannabinoid system, and encourages moisture retention.

ORGANIC RASPBERRY SEED OIL

Protects from water loss. Highly emollient, helping to soften, nourish, and condition the lips.

ORGANIC CARROT SEED OIL

Packed with antioxidants, it helps increase skin elasticity. It helps to soften and soothe the lips.

ORGANIC CANDELILLA WAX

A vegan alternative to bee's wax. It is humectant and rich in nutrients. It helps to soften and condition the skin.

PRO TIP: Use as a barrier for the lips during chemical peel or laser treatments. Apply to lips at the beginning and end of all skincare services.
